ADOL CHRISTIN

Age: 21 Weapon: Sword Attribute: Slash He left his homeland, a nameless village in the Europe region, when he was just 16 years old and dared to adventure in the Ancient Kingdom 〈Ys〉, the Land of Mystery 〈Celceta〉, and more. While young, he is respected as an expert "adventurer."

He was traveling across the Gaete Sea as a passenger on the Lombardia when the ship was attacked by an unseen giant sea creature. He went missing along with the other passengers.

DANA ICARUSIA

Age: ?? Weapon: Crescent Blade Attribute: Slash A mystical blue-haired girl who appears in Adol's dreams. Contrary to her elegant looks, she has a wild imagination and acts quite bold, much to the surprise of her peers.

She seems to live in an advanced civilization with no record of ever having existed in the Eresia region. Adol experiences her life through his dreams, but...

LAXIA VON ROSWELL

Age: 19 Weapon: Rapier Attribute: Pierce Daughter of the Roswell Family, a Garman aristocracy, who was on the Lombardia. She attempts to act like a humble noble, but her inflated sense of pride and stubborn inclinations makes it a fruitless effort. In Castaway Village, where all manner of social status and job classes mingle, she feels like a fish out of water, but she decides to utilize her knowledge about ancient organisms and wildlife to assist Adol.

SD Character

"I will not allow anyone to speak of 'adventures' as if they were an important duty!"

SAHAD NAUTILUS

Age: 41 Weapon: Anchor Attribute: Strike A fisherman from Greek who is a dynamic, generous, and cheerful fellow. Laxia is often appalled by his frank and sometimes crude outbursts, but he is warm and sincere—even prone to crying when things get too emotional.

HUMMEL TRABALDO

Age: 24 Weapon: Bayonet Attribute: Pierce An enigmatic "Transporter" who goes rogue on the (Isle of Seiren). He takes pride in his work and his serious personality causes him to fulfill any duty that is requested of him. He is also a stickler for cleanliness. He drifted ashore along with an item that he was in the midst of transporting, but he keeps mum about both the item and the details of his transportation request. He possesses a new type of weapon called a "gun" that is described as a small-scale cannon.

RICOTTA BELDINE

Age: 12 Weapon: Flail Attribute: Strike A girl who was living on the ⟨Isle of Seiren⟩ before
Adol and the others found themselves there. She is
innocent to a fault and well-versed in both the island's
geography and the Ancient Species. She gleaned all
her other knowledge and vocabulary from documents
and books that drifted to the island shore, so her
language skills are sometimes lacking. She's been
waiting a long time for her father to return from his
exploration of the island...

LOMBARDIA

It is 50 melye long and has 4 giant masts. It is the largest passenger ship that travels between Xandria and Eresia. There is a mess hall on the ship where parties are held, and it is also equipped with first-class cabins for nobles. Many highborn families use the Lombardia for their intercontinental travels.

ISLE OF SEIREN

An island in an archipelago on the Gaete Sea, south of Greek. It is rumored that any ship that gets too near will mysteriously sink. It is devoid of human life. The island is named after a mythical beast whose song could lure ships, and their enraptured crew, to their doom. Said to be "eternally cursed." all who take to the high seas steer clear of it.

CASTAWAY VILLAGE

Using their knowledge and the natural geography of the Isle of Seiren, the castaways built this safe haven. Under the dual command of Captain Barbaros and Dogi, they make use of items that wash ashore or that are found on the island to create facilities to improve their odds of survival, protect themselves from encroaching beasts, and to help Adol with his investigation.

ETERNIA CIVILIZATION

A prosperous civilization possessing advanced technology unlike anywhere else in Eresia. It is where Dana, the girl who appears in Adol's dream, is from. It has a unique culture of using Energy>, which supports the Eternia civilization, and worships the Great Tree).

There are high-quality statues in the temple, which shows how skilled their craftsmen are. They have a feng-shui mindset, so the path that stretches out from the shrine is a focal point. A lot of their buildings were built in such a manner, but toward the outer areas of the city, civilian housings can be observed that are built as the people desired.

This civilization utilizes both land and waterways, giving it a distinctive form. The main authorities are housed in the temples, so various temples are spread throughout the land.
